ABOUT

As a recent graduate, I am seeking the right opportunity to apply my training to real world problems and continue growing. I have developed a strong academic foundation by actively engaging in lectures and labs. Projects and internships further refined my communication and project management skills.

EDUCATION

Bilkent University, Ankara, Turkey

2017 - 2024

Computer Technology and Information Systems

CGPA: 2.77/4.00

Kartal Technical and Vocational High School, İstanbul, Turkey
